

intEGGrated Nest+Handler

The **NEW** Big Green Egg intEGGrated Nest+Handler merges two great products (EGG Nest and Handler) for a strong, stable, mobile base for the EGG. Featuring welded joints, there is minimal visible hardware for a cleaner look, and the curved and angled lines accentuate the iconic shape of the EGG.

Packs flat, minimal assembly required. All required tools are provided in the box.

CARE: Wipe clean with a damp cloth.
