

Carbon Steel Wok

Fire up the EGG and stir-fry your way to Big Green Egg flavor. Designed to work with the EGGspander, the Big Green Egg Carbon Steel Wok is perfect for stir-frying meats, seafood and vegetarian meals. The traditional dual-handle design provides a firm grip, and the heavy-duty carbon steel disperses heat evenly and quickly for even cooking.

Exclusive Big Green Egg design

Fast-heating cooking surface is perfect for stir-frying meats, seafood and veggies

Includes a handy [17 in / 43 cm] bamboo spatula; spatula fits the shape of the wok for easy turning of foods

Works with the  and  EGGspander

Traditional 2-handle design; dual handles provide a firm grip

Heavy-duty 18-gauge carbon steel; carbon steel disperses heat evenly and quickly

Sloping sides ensure food stays directly over the heat of the charcoal heat and makes tossing the food easier

In addition to use on the EGG, the flat bottom wok is designed to sit directly on the heat source, making it perfect for all types of cooktops including electric coil, gas or induction.
