

## Grilled Steak and Taylor Farms® Caesar Salad

### Ingredients

2-inch filet

Big Green Egg Classic Steakhouse Seasoning

1 Taylor Farms® Caesar Chopped Kit

### Method

Set the EGG for direct cooking without the convEGGtor at 400°F.

Season the steak on both sides with the Big Green Egg Classic Steakhouse Seasoning. Set aside until it reaches room temperature.

Place the steak on the grid and grill for 8 minutes per side or until the internal temperature reaches 130°F. Remove the steak from the EGG and let rest for 10 minutes, then slice.

While the steak is resting, mix the Taylor Farms® Caesar Chopped Kit. Place on the steak top of the Caesar salad and serve.
